"That's it, something has got to change!" was the last thing that was heard as Jared and Marc stormed off the golf course having just both captained their respective teams to yet another tie for dead last in Strom Aviation's 2011 Children's Medical Center Charity Shotgun Golf Event.

As you probably know from participating in this aviation golf experience, reading our annual invitations or perhaps just having heard the larger than life stories which always seem to arise, in recent years the Texas Shotgun has experienced some crazy weather conditions including documented hurricanes, massive rain storms and absolutely stifling heat waves and 2011 was no different. To say that tension was high that day between the two Texas Shotgun Tournament planners would have been an understatement.

Off in the distance the argument ensued. "A fish tank at Sea World doesn't have this much humidity!" Jared snapped back, "It's not that bad you just have to get used to it and adapt!" Just then the aroma of a sweet buttery smell was wafting over the crowd of 140 attendees watching with sponsored Miller Lites in hand. Out of nowhere Jared could be seen extending what was later identified as a bag of Orville Redenbacher's Microwavable Popcorn towards Marc as some kind of an offering. That is when Marc lost it and could be seen launching himself through the air towards Jared. As a scuffle ensued Jared could be heard making the point that Marc had actually flown through the air farther and straighter than any of his tee shots which sent arms and popcorn flying everywhere off in the distance.

Although nothing was said as the two clearly disheveled and dehydrated golfing chairmen approached the awards tent to formally present a check in the amount of \$20,000 to the Children's Medical Center, everyone knew as they stood in their individual pools of sweat that some changes were coming to the Texas Shotgun in 2012. They all hoped these changes would put an end to 112 degree heat and biblical rain storms.

After hearing the voice of global warming and experiencing other weird weather patterns your esteemed Texas Shotgun Golf Committee is proud to announce our 14th Annual Texas Shotgun Golf Tournament benefiting the Children's Medical Center to be held in October, on October 13th to be exact. Yes, we are well aware of the fact that in our attempt to avoid the stifling heat conditions we will most certainly become victims of uncharacteristic blizzard-like conditions but we want you to join us in all the glorious stories and friendships which will soon bond us all together forever as Shotgun alums while helping the Children's Medical Center.

The 2013 Texas Shotgun Golf Tournament will be held on Saturday, October 13, 2012 at Sky Creek Ranch Golf Club in Keller, TX (www.skycreekranch.com) where we will have a shotgun start at 1:00 pm immediately followed by a number of "bag drops" as we head off to our respective tee boxes. Dinner, awards and hopefully our largest check presentation to date will be given to Kyra Barnett of the Children's Medical Center with you to witness it all.

As you know the party will continue and we have made arrangements with the DFW Marriott Solana, for a limited number of rooms at the Strom Aviation rate of \$94.00 per night. Click the following link to book your room today and take advantage of the special rate ([Strom Aviation Group Rate](#)) and keep it safe while we continue into the night telling tall tales about shots gone by!

We will again be holding an optional pre-tournament practice round on Friday, October 12th for the growing number of people who are interested at a rate of \$50.00 per player. We will firm up the details on this event and expect a shotgun tee off in the early afternoon. Come out and join us so you can scout the course and develop your strategy for pulling off a big win in 2012.

As always we cannot do this without your help and generosity so please help us out by considering sponsoring this event, purchasing a foursome or perhaps bringing a wad of cash in unmarked bills to help our cause ([Sponsorship Opportunities](#)). You can really make a difference so please do consider how you can help.
